

Snake River Avenue Bridge to 11th Avenue

CURRENT STATUS:

(7/12/2016) Right-of-Way work continues.

WHAT IS THIS PROJECT GOING TO ACCOMPLISH?

The proposed project will make improvements on Snake River Avenue from the north end of the roundabout thru the intersection at 11th Avenue. Also considered and evaluated will be the (1) addition of a second lane south of the roundabout to the Southway Bridge; (2) 11th Avenue improvements up to Prospect; (3) pedestrian/bicycle connection from Demolay Park on Prospect Avenue to Snake River Avenue; and (4) widen Snake River Avenue at the roundabout exit northbound to provide additional merging length.

PROJECT SCHEDULE

Preliminary plans & construction estimate received-Sept 2015
 Design Review Meeting-Oct 2015
 Meetings with property owners-Dec/Jan 2016
 Construction-2020

HOW WILL THIS PROJECT BE FUNDED?

Funding will be FHWA 92.66% and 7.34% City.
