This is your chance to sit down over a cup of coffee and speak to a Lewiston Police Officer in a relaxed, open atmosphere. There is no agenda, just a chance to meet some of your local law enforcement officers and clear up any questions you might have about the Lewiston Police Department, questions about law, or anything else that might be on your mind.

Local downtown business owners will also be in attendance.

If you have any questions, please contact Lieutenant Jeff Klone at jkclone@cityoflewiston.org or at 208-746-0171.
