

FOR IMMEDIATE RELEASE:

Structure Fire 1332 Ripon Ave

Lewiston, Idaho – January 31st 2017:

At 11:52pm Lewiston Fire Department was dispatched to a reported structure fire at 1332 Ripon Avenue.

First arriving crews found a shop behind the residence at 1332 Ripon, with heavy fire coming from the bay doors. Fire crews were able to knock down the fire within about twenty minutes.

Crews remained on scene for two hours to check for hot spots and overhaul the fire.

The department responded with 2 structural engines, 1 ambulance, 1 service unit, 1 chief officer, and 1 inspector totaling 10 personnel.

The cause of the fire is currently under investigation.

The estimated damage to the structure is about \$75,000 including contents.

There were no citizen or firefighter injuries.
