

FOR IMMEDIATE RELEASE:

Outbuilding Fire

At 2:00am Thursday, February 16th, the Lewiston Fire Department was dispatched to an out building fire at 1022 Cedar Avenue that was fully engulfed. First arriving crews found a portable canopy covered in flames. Crews attacked the fire with a pre connected hose line. The fire was knocked down in about five minutes.

The department responded with three structural engines, three ambulances, one service vehicle, and one chief officer, totaling 15 personnel. The cause of the fire was an unattended heat lamp. The estimated damage is roughly \$1,000.00.

There were no citizen or firefighter injuries to report.
