III. CITIZEN COMMENTS

This is an opportunity for members of the public to address the City Council on agenda items or any issue of City business; provided, however, members of the public shall not address matters that are the subject of a public hearing or provide additional testimony or information on a quasi-judicial matter (e.g., Planning and Zoning matter) after the official record of such matter has been closed. Persons commenting may request that items be placed on a future agenda for further discussion; such requests are subject to approval by the City Manager or a majority vote of the City Council. Comments regarding the performance of a specific City employee are not appropriate during Citizens' Comments; instead, a meeting should be scheduled with the City Manager. The presiding officer may determine that comments regarding matters that have been previously heard and/or decided by the City Council are not appropriate for Citizens' Comments.

*A person shall not provide comment unless and until recognized by the presiding officer. Persons providing comment shall identify themselves by their names and cities of residence, but shall not be required to disclose their mailing or home addresses. Persons making comments shall be limited to **3 minutes** each, unless additional time is allowed by the presiding officer.*

Comments submitted by email or phone will be forwarded to the City Council. If you would like your comment to be read out loud during the meeting, please so indicate in your message. Members of the public who wish to provide in-person comment, but who are unable to secure a seat in the designated meeting space and/or overflow room(s) due to occupancy or gathering limits, will be rotated in and out of the designated meeting space in order to provide comment. While not in the designated meeting space and/or overflow room(s), such persons may watch and listen to the livestream of the meeting on their own devices by visiting the City of Lewiston's Facebook page or the City's website at cityoflewiston.org.
