City of Lewiston billing & payment information: Bills are generated for services already rendered. Balances are due upon receipt and must be paid on or before the 15th day of the month, or the payment will be considered delinquent. On the 21st day of the month, a late fee is applied to the account. Accounts that are not paid by the next billing date will receive a red shut off notification statement. Shut off information is posted on citizen self service, the City of Lewiston web site and on the red shut off backer of the mailed statement.

Email statements arrive in your email box as soon as bills are generated which is 3 to 5 days sooner than USPS mailed statements. Customers may also pay on line with a debit or credit card through citizen self service at cityoflewiston.org
