APPLICATION FOR CONDITIONAL USE PERMIT

(Pre-application meeting strongly encouraged)

Conditional use means a use permitted in a particular zone district upon showing that such use in a specified location will comply with all the conditions and standards as specified in Chapter 37 of the City Code, including any additional conditions of approval recommended by the Planning and Zoning Commission.

Pursuant to Idaho Code Section 67-6512(f), exceptions or waivers of standards, other than use, in the Zoning Chapter may be permitted by the Commission through issuance of a conditional use permit only when the exceptions or waivers of standards are incidental to the conditional use permit being considered by the commission.

By submitting this application to the City of Lewiston you are entering a quasi-judicial process. As such, you must not discuss the application with any member of the Lewiston Planning and Zoning Commission, or the Lewiston City Council, outside of the public hearing at which this matter will be heard.
